

# Mi-T-M HSP-3504-3MGH - HSP Series 3500 PSI Hot Water Gasoline Pressure Washer

## Mi-T-M HSP-3504-3MGH - HSP Series 3500 PSI Hot Water Gasoline Pressure Washer

This pressure washer combines 3500 maximum PSI and 3.3 GPM for fast and efficient cleaning of anything from roofs to work at construction sites. The hot water can reach 200 degrees fahrenheit making it powerful enough to blast through the toughest jobs. While the powerful Honda engine works at 13.0 horsepower, the direct drive triplex ceramic piston pump with forged brass manifold helps to ensure the highest pressure at the quickest rate.

### Features:

- Stainless steel and brass unloader valve
- High quality fuel filter / water separator ensures clean fuel supply
- Energy efficient top - fired powder coated heat exchange designed for convenient troubleshooting and easy maintenance.
- Reinforced powder coated steel tube frame with center balanced lifting hook
- Easy coil drain helps prevent freezing in cold weather

### Specifications:

- Max PSI: 3500
- Engine: 13.0 HP Honda OHV
- Fuel type: gasoline
- Water flow: 3.3 GPM
- Water temperature: hot water
- Fuel tank: 1.70 gallon fuel capacity
- Chemical injection: low pressure detergent injection
- Hose: 50' (3/8") steel braided wire
- Warranty: 1 year limited parts, 3 year limited coil warranty, 7 year limited pump warranty
- SA Certified to UL-1776 standards
- Dimensions: 43" L x 30" W x 41" H

### Item:

HSP Series 3500 PSI Hot Water Gasoline Pressure Washer

### Weight:

551 lbs

### Dimensions:

41" H x 30" W X 43" D
